Dear Miss Stanley,

Greetings this morning! I hope you are feeling much better as a result of your placing your faith in the Living God and in the Broken Body of Jesus Christ for your healing.

I have now seen that it is God's will that the Bible study commence this coming Sabbath and that it be held in our home. This is extremely good news for it shows that Jesus Christ has now set His hand to commence a foundation on which the largest church in Australia will be built! This is significant -- it is the work of the living God and His Son and our Savior, Jesus Christ -- and we want to make sure we are a part of this foundation by taking advantage of every opportunity God makes possible.

The study will be in our home at 3 p.m. on Saturday, January 23rd. And, since you will be dependant on the train, I suggest you plan to arrive at Chatswood between 2:30 and 2:45 p.m. on this date so that we can meet you and others just outside of the station gate close to the newstand between 2:45 and 3 p.m. at which time we can bring you to our house in our station sedan.

If for some reason your train is delayed or something else comes up, be sure and contact us by phone at our house -- the number is JB 5077. Strive hard to take advantage of what God is offering each one of us in blessing us with the commencement of Bible studies which will lead into the formation of a church.

If there should be any doubts in your mind about traveling on the Sabbath to attend what God is opening up, don't let these things trouble you -- they will be fully explained by myself during the study.

We will be looking forward to seeing you and may God help you as you strive to serve Him.

Sincerely, your servant in Christ,

*Gerald D. Waterhouse*
