OUR CHALLENGE UNANSWERED!

Do those who tell you to send your tithes to their "board of the Seven" admit they have NO BIBLE AUTHORITY for this?

Are they unable to answer our challenge, published in the April issue of The GOOD NEWS?

We print again our challenge to them, quoted from the April number:

"And now a brief glimpse at "THE SEVEN," Were they set up as a FINANCIAL BOARD? Were they appointed to receive and handle the TITHES of the whole world-wide Church? Did they ever supervise the financial affairs of the ministry; hiring and firing ministers, paying them their salaries, or "allowances?" Were they set over THAT business? . . .

"They were appointed over BUSINESS---but what business? Note it IN YOUR BIBLE!

The business of WAITING ON TABLES---of feeding, serving the MATERIAL needs of the widows and orphans! . . . so that the apostles might devote their time to the PREACHING of the Gospel, and the WITNESSING TO THE RESURRECTION, which they were sent to do, INSTEAD OF this business of ministering to the PHYSICAL needs of women!

"The business for which the seven were appointed had nothing whatsoever to do with receiving and disbursing tithes for the ministry and preaching the Word!

"We should like to see any text in the New Testament showing that there ever was appointed any BOARD to act as a TREASURY for the tithes of the disciples, and to receive and disburse the money for the whole church! We say such a thing is UNSCRIPTURAL and unless ~~the~~ SCRIPTURE can be produced for it, such a practise ought to be discontinued!

"If there is ONE LINE of Scripture for such procedure under the New Testament, the editor of The GOOD NEWS agrees to print it in the next issue---if any can supply it!

This is our challenge, and we await replies."

WE ARE STILL WAITING FOR THE REPLIES!

Are those who are trying to fasten their babylonish form of so-called ~~XC~~

"Bible form of organization and Church government" unable to produce the Bible texts for their so-called "BIBLE form"? Do they ADMIT that it is not, after all "BIBLE form

but only "ROMAN form" of Church government? God shouts to you and to me, "COME OUT OF HER, MY PEOPLE! The true CHURCH OF GOD is coming out of BABYLON---on FIRE for God

and from here on beginning to MARCH FORWARD, in the MIGHTY POWER OF GOD instead of the puny, weak, resultless way the "work" has been carried on by domineering man-made organization-machines!

We need to quit depending on MEN and their honey-combed arguments!

The CHURCH OF GOD needs now to AWAKE! We need to get to our KNEES! We need to SEEK GOD! We need to be endued with POWER FROM ON HIGH! We need to march forward on GOD'S POWER!

Already the work is beginning to leap forward, where a few have been honest and courageous enough to "COME OUT" and to just "TRUST GOD ALONE", as it never went before in our time! Already SCORES OF THOUSANDS are actually HEARING the true last warning Message, in the Pacific Northwest! Already souls are being converted by the scores! The sick are being HEALED! New churches and Sabbath schools are being raised up where NO "Church of God" people lived before---raised up of new converts, and those being brought into the TRUTH!

It is time we began to ask God for MORE POWER! It is time we began to have a greater passion for souls---for shouting the last message to the world---and backing, with our prayers, our tithes and our offerings, those whom God is USING, and where RESULTS are the evidence of God's blessing and power in the work!

BY THE FRUITS SHALL YE KNOW THEM. When you see the FRUITS, you are not "judging"---you KNOW when you see the RESULTS. Your tithe should work where you see GOD IS WORKING, not where deceit, hypocrisy and pretense and exaggerated statements give the impression things are being accomplished when in reality practically NOTHING is being done, and there are NO results!

Support those honest, God-fearing, courageous ministers who have DARED to defy the machine organization that has gained a strangle-hold upon so large a portion of those dear saints in the true Church of God,---and have dared to "COME OUT" and to TRUST GOD for their salaries, instead of the organization treasury! They are living, working, BY FAITH! God is using these men. Results prove GOD IS WORKING thru them. Your tithe is GOD'S---and it ought to be placed to work WHERE HE IS WORKING.

There is no Scripture for a "general headquarters treasury" in this NEW TESTAMENT dispensation. Support these ministers who, even alone, are TRUSTING GOD!
