Dear Brother Armstrong:

I presume you think I am very neglectful of duty in not answering your letter before this, but it was a long while before your manuscript reached me on the Third Angel's Message and only the first installment has come to my attention to this time. Likely the balance will be at the office when I arrive home next week. If so I will get at it just as soon as possible and write you again.

I have been very busy for the past three months especially and in fact for the past six months I have been speaking about every night. I just left Ala. yesterday where I spend nine days and spoke sixteen times which with my other work you see is heavy. I am only able to endure by the help of the Lord.

I feel that we are entering into a new era for the message and that it is going to take on new life. In fact the time for the message is now here which I have long contended it would be when the events of the last few weeks came to pass.

With Christian love to you and yo're.

Your Brother in the one faith

A. N. Dugger
