History Research Projects

invites you, your family and friends to a presentation by

Rick Sherrod Ph.D.

Dr Sherrod, Ph.D., has undertaken extensive research into the origins of the British and American peoples. Dr Sherrod's presentations are illustrated with slides. Topics include *The American, British peoples and Europe in Prophecy*, *The Commonwealth of Nations predicted in the Bible*, and *The Foundations of the Anglo-American Rise to Political & Economic Greatness* explaining how Bible prophecies concerning the Anglo-American peoples have come to pass over the last two centuries. This fascinating series has been brought to Australia and sponsored by *History Research Projects* and Mr Kevin Watson.
