

History of Ancient Israel
Ambassador College Class Lectures
by Richard Paige from 1986-87

Richard Howard Page (1943-1994) served as an associate professor of history at Ambassador University from 1973-1990. He participated in AU's involvement in excavations at the south Temple Mount directed by Benjamin Mazar and at the City of David directed by Yigal Shiloh.

The table of contents below is only a rough summary of the course material . Since this course was given in a classroom setting with its time constraints, sometimes subject carried over to the start of the next lecture.

Scroll down through the lecture files listed below and select the one you wish to listen to by clicking on the "Play" link above the lecture description
