**PLAIN TRUTH**

a magazine of understanding

Dear PLAIN TRUTH Subscriber:

The following free booklets are part of our worldwide educational program and cover vitally important subjects. We know that you'll enjoy reading this literature, and have reserved copies for you. All you need do is tick the titles you would like to receive and return the attached coupon to us.

**THE RED HORSE — WAR!**

In the book of Revelation we find a disturbing vision of four fearsome horsemen. Each of these horsemen is a symbol of the four major punishments to be inflicted upon a rebellious mankind — probably in the not too distant future! Each represents the final end-time culmination of the major crisis with which the world has been confronted for centuries. Learn the significance of the red horse, WAR! This message is one of the most frightening in all the Bible. You need to be informed and prepared for what's ahead in Bible prophecy!

**BRING BACK THE FAMILY**

Every normal human being wants to be warm, well-fed, comfortable, protected and loved. We all want to live in an understanding, warm, charitable, protective environment. The family unit ought to be just such an environment. But, instead of being a haven for our young people — a place of sanctuary, warmth and refuge — the home is too often the scene of alcoholism, bitter hostility, toxic human relations, and even brutal fights and beatings. The very fabric of our civilization is in mortal jeopardy. This booklet contains information on many facets of family life, and some sound advice on how to improve your family.

All literature is financed by voluntary donations and is available completely free of charge to anyone requesting it. We look forward to receiving your request and being able to send these publications to you.

Sincerely,
