

22-A The Pocono Record, The Stroudsburg, Pa. — Mon., Sept. 25, 1972

Signing in

It starts this way every year — first a trickle, then a flood of members of the Worldwide Church of God registering for the annual Feast of the Tabernacle held in Mount Pocono. Here new arrivals check in with clerks in the center's administration building. (George Arnold photo)

Poconos chosen for beauty

MOUNT POCONO — Several grateful merchants and numerous residents of Mount Pocono, although well aware of the members of the Worldwide Church of God presence, have always asked, "Why here in Mount Pocono?"

The question asked more out of inquisitiveness than out of a low regard for the thousands of Worldwide Church of God members who congregate for the annual event, can be answered simply.

Mount Pocono was selected as a potential festival site in 1966 because of the area's beauty and excellent accommodations.

Hundreds of the Worldwide Church of God members will tour the scenic Pocono Mountains when they are not attending church services.

Throughout the Poconos amusements and scenic areas are abundant and a survey reveals that in the past most of the church's members have utilized these accommodations to the fullest.

'Wide' no idle boast

MOUNT POCONO — The name Worldwide Church of God is not an exaggeration by any means. If anyone is a "Doubting Thomas" about the faith's far reaches, all he has to do is look at the people flocking in Mount Pocono for the church's "Feast of the Tabernacle". An estimated 12,500 Worldwide Church of God members from Pennsylvania, Connecticut, Delaware, Maine, Maryland, Massachusetts, Michigan, New Hampshire, New Jersey, New York, Ohio, Rhode Island, Vermont, and the Canadian provinces of New Brunswick, Ontario, Nova Scotia and Quebec have arrived for the Festival in Mount Pocono.

"We Extend A Friendly Welcome To All Members Of Worldwide Church Of God."
