Getting ready

Worldwide Church of God members and maintenance workers fall to task of getting ready for the Fall Festival of the church in convention center that can hold as many as 16,000 people.

Festival Biblical celebration

MOUNT POCONO — Worldwide Church of God members have assembled at the festival site between Rts. 611 and 196 north of Mount Pocono for their sixth annual "Feast of the Tabernacles".

Members represent 17 states in the Northeastern United States as well as parts of Eastern Canada.

They are here to celebrate a festival mentioned in the Old Testament thousands of years ago.

According to the scripture, it was a festival required of the early Israelites to keep when they came into the "promised land."

It represents a time when God will rule the earth and all will live according to His ways as outlined in the Bible, according to church members.
