MOUNT POCONO — Nestled in a thick grove of woods that is bursting forth in red, yellow and gold, the World Wide Church of God's Mount Pocono Convention site is being spruced up to welcome over 15,000 members for eight days of prayer and recreation. Over 100 hotels, motels and resorts, plus private homes, and in addition, numerous camping grounds and trailer sites are getting out the "fires" and cleaning rooms for the largest convention in the history of The Poconos.
