Dear Friend for Truth:

Before answering your questions concerning the Remnant church, myself, my associates and associations and the Feasts, etc., the date on your postal card attracts my attention. I'm writing this letter on the 2nd of the inst., namely on the second day of July, whereas your card is dated and mailed and postmarked on the 28th of July...And I'd like to know how did this thing happen? Are the people down there a month ahead of us up here? Or else, is the P.O. kept down there are much fast workers and get done their mailing a month ahead? Please impart my congratulations both to the Postmaster and the employees, They deserve a medal in efficiency and prophetic mailing ahead of the time...That s the kind of town I'd like to be in!?! in!?!

That much for an interesting opening and now let's settle down to a serious subject. In the first place I want to congratulate you for writing as you did. You certainly have done yourself a favor of lasting imporatrnce--"IF YOU CONTINUE IN IT." Jn 8:31.

Let's start with your first Q: The history of the Remnant Movement or the Church. To do this properly, I'm herewith enclosing a Questionaire for you to fill it out, in which case you'll know all that you care to know about this spiritual and Divine Institution and I'll know also about you all that is to be known. It's mutual. No man can and no man has any right to start a Spiritual institution or movement unless it's not foretold in the Prophecies and guided by the Prophecies. OR its time has come.

As to any associations with any other church or the so-called "Church of God 7th Day," NONE whatsoever. And neither with any other abbat desecrating groups, groups, churches, groups and denominations. But to tell the facts, I saw the Sabbath truth thru a minister of the SDA church in Armenia. Later I was associated with him in a missionary campaign into the Armenia, during which I was arrested by the monstrous Mohammedan Turks three times in as many towns, and after trials and courts, when released, and threatened to be killed or hanged, my associate, the Director of the Armenian Missionfield, urged me to leave the country immediately, as he had a lot of experience with the Turk courts, having been imprisoned already 14 times previously. All these things happened between 1910-13. Eleminating the long story of miraculous escapes from the country via France and England, I arrived by the grace of God, in New York on May the First, 1913. Came to become a Medical Missionary.

During that summer, I attended the SDA World Convention as a delegate in Washington D.C. After that I did canvassing by selling Mt.24 book and also the Watchman agazine in which by coincidence was my article and picture written from and in Armenia where I had raised beard. But as soon as I landed here, my friends, countrymen, as soon as they saw me, took me to the barbershop... That was the end of beards & bindies!

I don't know any of So. American Sab. Keepers. Please send me more info. On the keeping of the Feasts days, with my next letter. My brief Biography is herewith enclosed up to 1928. Since then it will fill a book... Will close now with I Jn. 1:7.

Encls.3.

Sincerely,

Mihran N. Ask

in 1930. If you are honest with yourself and with your faith, and really want to learn and understand the Word of God, this is the book to read today. It will make the reading of the Bible a lasting investment, adventure and discovery. *The day has come to read the Bible.* And you are going to read it whether you want it or not, for the Bible and the Bible alone will decide the fate of this faithless and faltering world.

24. A new and enlarged edition of "A ROLL CALL OF WORLD CONDITIONS"—First published in 1930. America, here is a book which should be in the hands of everybody everywhere—if everybody is interested in peace and freedom. If you value "life, liberty and the pursuit of happiness," you will value this book and see that a new edition is published without delay.

25. "WHO'S WHO IN JOURNALISM"—The Blue Book of Journalism, a Directory of newspaper and magazine publishers, editors, writers and columnists. *Out of print.* A new, enlarged and up-to-date edition is in preparation. Here's an excellent opportunity to cash in on your investment if you are interested only from a monetary angle. It will require an investment of \$15,000 to publish a new edition. However, there are enough inquiries and standing orders to secure this investment. You can investigate the 1928 edition at the Public Library.

For any of the above titles, please communicate at your earliest convenience with the author.

## BOOKS READY FOR PUBLICATION

The author has the following books for immediate publication. Each subject is as timely as it is vital; and therefore should prove to be a quick and big seller. Those marked with asterisks are ready in MS. On the others I have the material and an outline on each title will be submitted for examination to interested parties willing to sponsor or finance the printing of any of the MSS mentioned below.

1. \*HOW TO END THE WAR WITHIN SIX MONTHS: MS. of this book was prepared three years ago; but it is still the book of the hour. We have a long way to go yet at the rate and manner we are going. This book is also the answer for the coming wars; hence it's THE BOOK to publish NOW.

2. ONE FREE WORLD—Many wrote on this subject and made fame and money, but missed the most crucial point in their "one world!" It is true that we are living in *one world*, but it is not, and it never will be, THE "One World" we all are hoping and looking for. Read this "ONE FREE WORLD" and see how it is immensely a superb and safe world to hope for and live in.

3. \*THE TURKISH QUESTION AND ITS RELATION TO WORLD WAR II & III: Here's a book that is an eye opener; and its publication is the need of the hour; the solution of all post-war problems depends squarely on the proper and immediate solution of the *Turkish Question*.

4. \*THE ASKIAN LOAN PLAN ("ALP")—*A short cut to post-war employment*: A new twofold economic recovery and sound employment plan; the panacea of all needs and ills; political, economic and social; no other plan like it or ever will be. This is THE PLAN that will give jobs to every veteran AND ALSO TO EVERYONE ON A PERMANENT AND PROFITABLE BASIS. The plan that will save both America and the world from "the fear of want," and secure "THE FOUR FREEDOMS" for posterity.

The only man who not only has discovered the idea of *Insurance from cradle to grave*, but also has, for the first time in the whole world, devised a safe and self-paying, practical and profitable method of financing the plan from birth through

schooling, then through college to profession or business—and thus to final financial independence and security. This was the plan submitted to President Roosevelt in 1936, when, even the "Best Minds" of the country were suffering from the effects of the SEVEN YEAR OLD world-wide depression and unemployment, chaos and unrest which, finally brought on World War II. And unless the "Askian Loan Plan" is adopted and put into practice, we will have WORLD WAR III—as sure as night follows the day.

5. \*THE CHALLENGE TO WORLD DEMOCRACIES: The purpose and mission of World War II; unless a united and universal democracy is accomplished, world chaos and unrest is sure to come.

6. \*HOW TO PREVENT WORLD WAR III: The time and opportunity to do it is NOW OR NEVER. Before World War II ends the World War III must be won; otherwise we have to double all ammunition factories—if we care to preserve the names of both the "United States of America" and "Democracy!"

7. REPLY TO WILKIE'S "ONE WORLD." This book ought to sell as many as his did—if not more.

8. SHEM, HAM, JAPHETH: Or who shall rule the world. A historical and Biblical plan.

9. WORLD UNION: Or Spheres of Influences. Who, How and Where.

10. A PROPHETIC WORLD MAP: A new set-up envisioned by the prophets of the Bible.

11. PROPHECY & HISTORY.

12. WHAT THE PROPHETS OF GOD CAN DO.

13. PROPHECY & VICTORY.

14. PEACE OR WAR: WHICH shall we have?

15. THE REMNANT CHURCH: Or the coming Theocracy.

16. \*ACTION COOPERATIVE INDUSTRIES: Here is a sound and safe, fair and just industrial plan which not only can keep everyone in this country employed, but it provides also unlimited possibilities of greater expansion and growth for America to double or treble her population without any fear of

unemployment, or poverty or depression. It is the sacred duty of every American to hear of this unique industrial plan—the master stroke of economic genius and discovery.

17. \*THE REMNANT MOVEMENT or THE LAST PROPHETIC REFORMATION—What it is and What it Means; Is the God of the Bible a God of confusion such as we are given the impression by so many varied religions and denominations at variance against each other? When you read the Remnant Movement you will be amazed to discover, that there really is a true and clear-cut religion taught in the Bible which not only has an answer to all problems troubling the world today, but it points out also, just as plainly, a new spiritual revival which will surpass all past reformations by actually demonstrating the Kingdom of God on this earth. This is the book of the hour. This is the book to read and follow today.

18. "THE FOUR GOSPELS IN ONE"—The one continued, connected and complete story of the Four Gospels, leading to a greater appreciation of the life of Christ and a better understanding of the basic principles of the true Church of God taught by the Master.

19. A new and true translation of THE BIBLE—A conscientious, honest and unbiased translation of the Word of God from original languages and compared with the best translations in other languages, more particularly with that in the Ancient Armenian tongue, generally accorded by the world scholars as the "Golden Translation of the Bible." The Armenian translation has won this name because of its closer presentation of the originals both in letter and spirit.

20. A symbolic marginal "REFERENCE BIBLE"—The coming Bible which will make all things concerning the Word of God plain even to the plainest man.

21. "THE UNDERScoreD BIBLE"—A topical reference Bible showing the main subjects at a glance by different form of underlinings in the text.

22. "THE BIBLE INTERPRETED"—A modern comprehensive interpretation of the whole Bible from a completely new and revolutionary angle, emphasizing historical and prophetic fulfillments. The book that will reveal "THE BOOK."

23. A new and enlarged edition of "HOW TO READ, STUDY AND UNDERSTAND THE BIBLE"—First published
