Subject: Here's a copy of my PROPOSED "Home Page" for my Website

Greetings again, Craig:

I am attaching a copy of my proposed Home Page, which I would like you to look over (since you have offered assistance), then please feel free to offer any suggestions that you may have, which could help me to get my Website up and running. My Domain Name is COG21.ORG I know that there will be considerable work in getting all of the articles, booklets, books, etc. ready for posting on the Website, and any suggestions or assistance you can give me will be much appreciated.

I hope you and all the brethren there are doing well in every way.

Sincerely,

Raymond F. McNair

A Dynamic Message of Divine Truths!

God's Truth—which we proclaim on this Website—is a *dynamic, ageless message* that inspires and transforms countless millions! It took many decades of diligent research to *discover, assemble, and write up* these **precious truths** that we, the **CHURCH OF GOD-21st Century**, are now publishing on this Site. We believe you will find our *booklets, brochures and articles* **interesting, informative and inspiring**. Hopefully, this will *inspire* you to draw closer to your Creator—to *love, revere, and serve* Him by "Seek[ing] first the Kingdom of God and His righteousness..." (Matt.6:33)!

We encourage you to *prove* to yourself the **profound truths** featured on this Website, and to make sure that the truths we proclaim are, indeed, the plain teachings of the **Word of God**. Furthermore, we invite you to "**check up on us**" to see for yourself that we really *do* teach the **plain truths** found in *your own Bible*! We, therefore, *urge* you to keep an *open mind* as you study our literature. The *Bible* highly *commends* the noble Bereans for being *open-minded*: "These [Berean Jews] were more fair-minded [*"noble" KJV*] than those in Thessalonica, in that they received the **WORD** with all readiness, and searched the Scriptures daily whether those things [preached by Paul] were so...many of them believed" (Acts 17:1-9, 11-12)!
