Dear Mr McNair,

Warm greetings from 'down under'.

Please find enclosed a CD with various materials by you and others and especially *Key to Northwest European Origins*.

Concerning your thesis, while it has been retyped, it needs considerable checking for typographical errors or where there are missing sentences. If you are able to find people to check them, please let me know whom so that I can ensure that there are no duplications of efforts on our end.

Feel free to forward on the materials contained in the CD as you wish.

I pray for you and your wife and trust that God will always be with you.

Warm regards,

Craig White
