He has just baptized twenty candidates in the Ogba district of the Ahoada division. He says their pictures will come in his next report.

half mile, and called on these people. They wanted to know our address. We told them we did not have an address for we had to move at once and could not find a place to go. The brother said, "A lady told us a few days ago she had a good big place to rent", and he offered to take us over there, and that is where we live now, and have our publishing house. The lady that owned it had been born and raised here, and her father and mother had passed away here. She said: "You folks remind me of my father and mother", and she just took us right in, and would not take any rent for six months. Later we bought the whole property. A picture of this property is on the first pages of our 1968 Calendar.

During the terrible bombing of Jerusalem, bombs fell all around us in the lightening war of 1967 but not noe struck this property or our church near the border.

We thank and praise our loving Heavenly Father for this wonderful protection and many more similar miraculous leadings of His Spirit since coming here.

1973

Sept. 1968

It was a dark rainy night in September sixteen years ago when with my two girls, Naomi and Mary, ages 22 and 18, we went on top of the big hill above the hospital in Portland Oregon, U.S.A. intending to pray all night for their mother, my wife Effie that the death warrant would be cancelled. She was to die sure that Friday night.

I had just returned to Oregon, U.S.A. where we had our home at that time after an extended trip in Nigeria, Africa, where with five native ministers and Elder A. C. Olson of Wisconsin, U.S.A., we rode bicycles through the jungles visiting groups of converts from the heathens. Soon after reaching home I suddenly became ill, and we thought it was just an ordinary sickness they call flu. No doctor was called because we had not been accustomed to doing this in time of sickness, but prayers had always been amply sufficient, and wonderfully effective during the years we were raising our family.

My wife, however, owing to the severity of my sickness, fearing I might have contracted some contagious disease while in Africa, called a physician for the safety of others calling on us. The doctor mistakenly pronounced it just the flu, while it was the typhoid fever. At the time of my partial recovery Effie took sick, and after she had lingered in a serious condition for several weeks with much internal bleeding. I examined an old doctor book and found that her symptoms corresponded to those with the typhoid. In the meantime our children had all taken it and had recovered.

Effie was in a very serious condition and had not re-

sponded as usual to anointing and prayer. We had blood test taken which proved it was typhoid fever so she was rushed immediately to the Contagious Isolation Hospital at Portland, Oregon, where she was given blood transfusions. Members of our local church offered blood, and considerable was given by Brother Yancy McGill, as it was of the same type, but the bleeding continued for nearly two weeks, and instead of getting better, only grew worse and worse. They had to get blood daily from the blood bank in Portland.

My two girls, Naomi and Mary, stayed with me in Portland, and we fasted three periods of three days each and prayed for her recovery, but it was not effective, and she grew worse and worse. She was losing blood so fast they had to put a needle into each arm, and had put in eighteen pints of blood.

Finally, on Friday afternoon the head doctor told me they had just taken a test and she was now losing blood faster than it was running into her at both arms. He said they could operate and remove the intestines that were bleeding, but she was too weak to stand an operation, and would never survive. He said there was nothing that could save her, and she would pass away sometime during that night.

It was a dark moon-less, rainy night, but with the girls we went on top of the big hill back of the hospital among the tall trees intending to stay there all night and pray. The rain was dripping down through the trees on us. We had our Bibles and a flashlight. Naomi would let the Bible fall open, then with the aid of the flashlight

read awhile. Then we would all kneel down and pray. This was repeated a number of times. Finally Naomi said, — "Daddy I just know Mama is going to get well." I said: "I know she is too."

That assurance came suddenly over both of us at the same time. I had that night repeated my vow that if the Heavenly Father would restore Effie back to Health again, I would sell all of our belongings, and go to Jerusalem.

I had many times definitely felt the urge to go to Jerusalem and publish a paper there, but had made excuses. At night it would come to my mind. In the morning it would come again. It constantly plagued me, and I could not throw it off. It was on my mind that night.

I felt like I was a Jonah, and promised I would leave my children and grandchildren and go to Jerusalem if He would save my wife. See Jonah chapter one.

As we walked down the hill at a late hour through the weeds and brush in this pasture, we saw above the hospital a plainly visible glow of light like a small cloud the size of a door over the hospital building. We climbed over the big pasture gate, and walked around to the hospital entrance, went up the broad steps and walked inside. It was so timed that right at that moment the head nurse of the hospital with the nurse taking care of my wife were walking down the wide central hall.

She stepped out in front of them and said: "How is my wife now?"

They replied: "There is no change yet."

I said: "Well there is going to be a change tonight."  
"Why what do you mean?", was their answer.

I said: "We have been on the hill praying and we got an answer. She is going to get well."

The head nurse with an expression of disdain straightened back, lifted her head a little higher and without a word pranced down the hall. My wife's nurse, Mrs. Osborn, patted me on the shoulder and said, "Good for you."

At the desk they told me to leave them my telephone number so they could call me. I knew what it was all about, and would not give them the phone number, for it would show a lack of faith. We went to our rooms, and the next morning I got into my car, and drove to the girl's room, picked them up and we went to the hospital without any fear whatever.

We walked in and I asked: "How is my wife this morning?"

The answer was, "She stopped bleeding last night." That was sufficient. We went into the room and talked with her. She was brighter than ever. It was only a few days until she was home with the family.

We began making definite arrangements to go to Jerusalem. We sold our little place, paid off the mortgage, and got rid of the other little belongings. We left our four children, two in school and two married and all of the grandchildren, and in a little less than a year were on our way here to Jerusalem, where we are publishing our magazine, and have been in the Father's work ever since. We have witnessed His intervening hand many times, leading the way and providing the necessary

means to keep the good work moving on and expanding. We print four regular publications.

When we arrived, owing to several thousand Jews coming daily, the whole country was crowded to overflowing. It was very hard to find a place to live. We first went to the Y.M.C.A., then to a hotel, but, it was very expensive with our limited means. Finally, we got two rooms through an agent as the owners were leaving for six months vacation and when the 6 months were expired we could not find any place to go. We prayed much about it, and at the very extremity of time, when we were going to have to move in a few days, I was given a very brief dream in the middle of the night. I saw a signboard hanging down from the ceiling of the room with a post office box number with four figures. It was in black English letters: P.O.B. - - - -. I awoke and my sleep broke from me. It was so strange, and seemingly meaningless, but I decided it must mean something good, so I mailed one of my magazines: "The Mount Zion Reporter" to this box number the following day.

In about a week, one of our friends, an elderly man, a Jewish believer came to our room telling me he had found a group of believers having meetings in the south part of Jerusalem.

I said: "Well that is fine, I would like to have their address."

He said: "Here is their card", pulling a small card from his vest pocket.

To my surprise when I looked at it I found their P.O. Box number the very same I had seen in the dream. I showed it to my wife, and we walked over there, about a

# EXPLANATION OF THE PROPHECIC CHART

## The Future of Israel And All People

our Messiah (Yahshua ha Meshia), — John 14:13, 14, 15 and 16:23, 24.

The Father says He is more willing to give this heavenly virtue, the Holy Spirit, to those who ask of Him, than the earthly Father is willing to give bread to his hungry son. — Luke 11:11 to 13.

King David prayed that the Father would not withdraw from him His Holy Spirit, Psalms 51:11. So let US PRAY for this divine magnetic power, and be prepared to enter into the Kingdom of Heaven, which is very soon to include this earth.

It is this Spirit that changes "Stony Hearts", to hearts of flesh, which must happen, and is happening in Israel. — Ezekiel 36:24 to 27.

### THE PROPHECIC CHART ... ..

The chart on Bible prophecy of which this booklet is an explanation, is printed on heavy white paper: 70 by 100 millimeters, or about 28 by 40 inches. It contains 14 large pictures, the metallic image of Daniel, 2nd chapter, the four Beasts of chapter 7, the goat and the ram, of the 8th chapter, the woman and red dragon of Rev. 12th chapter, the Beast with 7 heads & ten horns of chapter 13, the Beast with two horns, also of chapter 13, and the mother of harlots riding the scarlet Beast of the 17th chapter; also two more important pictures valuable in giving Bible studies from the chart. ...

When you color this chart, with crayolas, according to the Bible description given of these Beasts; it is very attractive, arouses great curiosity, and will bring people to hear you give the explanation....

UNMASKING THE BEAST  
THE DRAGON  
AND FALSE PROPHET

THE TRIUNE  
OF  
ARMAGEDDON

## Our World Tomorrow

"I am Elohim, and there is none like Me, declaring the END from the BEGINNING, and from ancient time the things that are not yet done." — Isaiah 46:9&10.

"The wicked shall do wickedly, and none of the wicked shall understand, but the WISE shall understand." Gabriel. — Daniel 12:10.

Armageddon is; a gathering of all Gentile nations against Jerusalem and Israel. Joel 3rd chapter, Zechariah 12th and 14th chapters, and Ezekiel the 38th chapter; also Revelation 16:13&14.

The Nations engaged in this last war are those represented by the BEAST — the DRAGON — and the FALSE PROPHET. — Revelation 16:13&14. Therefore the study of the "Prophetic-chart" is of great importance to everyone, because these groups are now here, and the purpose of this chart is to clearly unmask them before all.

The scriptural warning to those who, either willingly or ignorantly, join up with them is: — "Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongues shall consume away in their mouths." — Zechariah 14:12.

EXPLANATION AND INSTRUCTION FOR  
TEACHING OTHERS THESE  
GREAT LESSONS.

BIBLE STUDY No. 1.

Read Daniel 2:28 to the end of the chapter. You could have someone in the study share with you in the reading, if you wish and think it best to do so. This image represents the Gentile kingdoms of the world.

Now read verses 36, 37, and 38, and emphasize the point that the prophet told Nebuchadnezzar king of Babylon that he is this head of gold. Then slowly read verses 39 to 40, pointing out that it is here announced nearly three thousand years ago that there would be just these four Gentile kingdoms rule the whole world one after the other in their order. Explain what a universal kingdom is. That it represents a time when one government rules the world.

Also point it out clearly that there have only been four of such kingdoms. Give their names, Babylon of which Nebuchadnezzar was king, ended 538 B.C., the record of which we find in Daniel chapter 5 in connection with the great miracle of the "Hand Writing on the Wall."

The Medo-Persian kingdom then ruled the world. Two kings, one of Media, and the other of Persia united together, representing the division of the Gentile man of the two arms and breast. The arms denoting strength, and with the strength of both of these kings Cyrus and Darius, Babylon was overthrown and the second world empire established known in all histories and encyclopaedias as the Medo-Persian empire.

Following the Medo-Persian world empire, the Grecian kingdom arose with the mighty Alexander The Great, who conquered the world at the age of 32 years, and then wept because there was no more to conquer. All histories speak of him, and of these four world empires. They came exactly as the prophet had announced.

Following the Grecian empire came the Roman, when the Caesars ruled the world one after the other. The Roman empire overthrew the Grecian, and became a world empire in the year 27 B.C. and was the one in authority when Christ was born in Bethlehem.

The Roman-empire ruled unbroken until the year 395 A.D. when Theodosius died and divided the empire between his two sons, Arcadius and Honorius, which was the beginning of the east and west, represented by the two legs of the Gentile man.

We have been coming down these two divisions since that time. The Roman Catholic church established in Rome represented the west, while the Greek Catholic church with St. Petersburg Russia as its headquarters, ruled the east. This continued until the first World War of 1914, the beginning of the consummation when it was changed to Moscow.

We still hear the East and the West spoken of and it is still Rome and Moscow that rule each division, but we are now in the days of the ten toes. There were just five nations on the West and five on the East, represented at the "Summit-Conference" held at Paris during May 1960. The two toes were there. Eisenhower, and Khrushchev. NOTE with interest that the feet of the Gentile man are composed of just two materials — viz. Iron and Miny Clay. — Verses 42&43. — It is also most significant that the word: "Eisenhower" in German means iron, while the word "Khrushchev" in the Russian language is: clay. The average length of the toes compared to the number of years per inch in the legs would be around 12 to 14 years.

The next event in the vision was the stone being cut out of the mountain without hands, which smote the Gentile man on the feet. NOTE verses 34, 35 44, 45.

You can compare this with Luke 21:24-31, where this same kingdom is mentioned together with world events that precede its coming. This is the kingdom restored to Israel at the return of our Messiah to reign as King. — Rev. 11:15. The Nation Israel is the vanguard of that Kingdom.

# THE FOUR GENTILE KINGDOMS IN SYMBOLS OF RAVENOUS BEASTS

## Lesson No. 2

This lesson pertains to the four beasts, the Lion, the Bear the Leopard and the non-descript beast with the ten horns. This vision was given to the prophet a number of years after he had interpreted the dream to king Nebuchadnezzar.—In the previous study.

Read the entire chapter, having certain others share with you in the reading giving them some part in the study, thus adding interest.

Call special attention next to verse 17. "These great beasts which are four are four kings that shall arise out of the earth." Also read verse 23, "Thus he said "The fourth beast shall be the fourth kingdom upon the earth, which shall be diverse from all kingdoms, and shall devour the whole earth and shall tread it down and brake it in pieces."

This is the exact condition of the world to-day. Show your class how these four beasts represent the same four kingdoms symbolized by the four divisions of the Gentile man. That these Gentile kingdoms are well represented by blood thirsty, ravenous beasts. This has been the nature of all of these earthly kingdoms, constantly making war on, and trying to devour one another.

The lion with eagle wings represents king Nebuchadnezzar in his lofty exalted condition before he was humbled and brought down to know that the Most High ruleth in the kingdoms of men. Daniel 4th chapter. It was 17 years after this vision was given to Daniel that Nebuchadnezzar lost his mind, and lived among the beasts of the field for seven years.

It was king Nebuchadnezzar who with his armies destroyed the great temple of Solomon here at Jerusalem. and the kingdom of Judah, since which time, there has been no nation of Israel until it's "Miraculous Rebirth" May 1948.

Then after this experience he was humbled, Read Dan. 4:36, 37, calling attention to chapter 7:4 where the wings were plucked from the lion which represented king Nebuchadnezzar, and he was made to stand upon

his feet as a man and a man's heart was given to him.

### The Second Kingdom.

Call attention to the bear representing the 2nd world empire, having three ribs in the mouth of it. These ribs represent the three states into which the Babylonian empire was divided, viz. Babylonia, Lybia, and Egypt. This was the territory the bear had conquered.

### Third Kingdom.

Medo-Persia was the second universal kingdom, represented by the breast of the Gentile man in the previous lesson. It ruled from 538 to about 300 B.C.

Now we come to the 3rd beast the leopard, representing the 3rd empire that ruled the world viz. Alexander the great. This beast is of the cat family very quick and alert in it's movements. Then having wings made it exceedingly rapid in its conquests. Alexander conquered the world at the age of 32, and did the work in a very short time. It fits his movements and his work most perfectly.

Note the four heads on this beast. Then go to your history or encyclopaedia if you have one, and show that when Alexander died his empire was divided among his four generals. Here is a sketch from history. "The Grecian empire maintained its unity but very little longer then the life time of Alexander when it was divided into four divisions between his four leading generals viz. Lysimachus, Seleucus, Nicator, Ptolemy and Cassander." From Myers General History, Page 170 of the 1903 edition.

### The Fourth Kingdom

Next in order we come to the fourth Beast. There was no Beast in all creation which the Father could use in representing this fourth and last empire. It is therefore just called "A great and terrible beast strong exceedingly, and it had great iron teeth." This represents the same period as the iron legs of the Gentile image. Verse 23 says: "The fourth Beast shall be the fourth kingdom upon earth." How wonderfully history has responded to the call of prophecy, not only in this series, but in many more, proving beyond any possible doubt that everything in the future announced by the

same prophets will come to pass.

This beast has ten horns, and we are told in verse 24 that "The ten horns, out of this kingdom are ten kings that shall arise." There were just ten divisions of the Roman empire during the first few centuries A.D. The ten divisions were prominent for nearly 150 years between 350 and 485. They were as follows, Anglo - Saxons - England; Burgundians - Switzerland; Franks - France; Visigoths - Spain; Lombards - Italy; Allemanni - Germany; and there were the Suevi, Vandals, Ostrogoths, and Heruli. Note that much of these same divisions remain until this day.

### THE BLASPHEMOUS HORN

Lesson No. 3

Read verse 8, - I considered the horns, and behold there came up among them another little horn before whom there were three of the first horns plucked up by the roots, and behold in this horn were eyes like the eyes of a man, and a mouth speaking great things.

The prophet then beheld, "Until the thrones were cast down, and the ancient of days did sit whose garments were white as snow, and the hair of His head like unto pure wool. A fire stream issued and came forth from before Him. Thousands ministered unto Him, and then thousand times ten thousand stood before Him. The judgment was set, and the books were opened." Verses 9, 10.

Show the people that the day of judgment comes immediately after this beast with the papal head performs its work. Also that after this horn, or this king, came forth, the prophet "BEHELD UNTIL." There was a time period following. The work of this horn was an extended work. The prophet beheld until the thrones were cast down. Since we entered the "Time of the End" the period of the "CONSUMATION," which began with world war one in 1914, the crowns of almost every king in the world has been cast down. Monarchical kingdoms have given place to dictators. There is just a very little more to come to pass before the books are opened.

Read verses 24, 25, where it says "He shall speak great words against the Most High, and shall wear out the saints of the Most High, and think to change times and laws, and they (the saints) shall be given into his hands until a time, times, and the dividing of time."

This little horn power was to subdue, or pluck up by the roots, three of these ten kings of Europe. He was to wear out the saints. He was to think to change times and laws. He was to continue for this long period. "Time, times, and dividing of time."

It is very easy as we study history to find the identity of this little horn, for only one power has done all of this, and that is the Papacy. Three of these ten horns were plucked up viz., the kingdoms of the Heruli, the Vandals, and the Ostrogoths. The pope's tripple crown, (three crowns in one), he wears to-day, is a symbol of this. It was Rome that changed times as it says here. The time of the beginning of the day was changed from sundown to midnight. The Bible day begins and ends at the going down of the sun. Go to Genesis one and show that the darkness was first. Then the light. During creation week it says, "The evening and the morning," were the first day and so on. Leviticus 23:32 says, "From evening until evening shall you celebrate your Sabbath." Israel is the only nation that observes this correct Bible time.

Rome changed the year beginning it in January, when the Bible year begins in the spring. Read Ezekiel 12:2, and 13:4.

### ROME CHANGES TIMES AND LAWS AND PERSECUTES ISRAEL

Lesson No. 4

Not only was this little horn power to pluck up three of the kings of Rome, and change times, but he was also to change laws, and wear out the saints for a long period represented as "Time, times, and the dividing of time." A time is the ancient word for a year. In Daniel 4:23 where the insanity of king Nebuchadnezzar is described we are told in verse 23 it would be until "seven times had passed over him." Notice also verse 32. This was a seven year period according to the original dates found at the top of the page of your Bible.

Also history tells about this period and speaks of it as seven years.

A "time", is one year of 360 days. The Bible year is 12 months of 30 days each. Go back to Genesis and study the time of the flood. The day of the month the flood began is given, and the day the rain stopped, which is exactly five months. Then in Genesis 8:3 we are told that it was 150 days. Hence just five months at 30 days to a month. Therefore one Time is 360 days. "Times" is always two years; 720 days. The dividing of time would be one half of one time, or 180 days. All together it makes 1260 days that this little horn would be permitted to hold power, and wear out the saints.

To further establish the fact that this makes 1260 days go to Revelation 12:14 where the same period is mentioned, the length of time this woman, representing the "chosen people" was driven into the wilderness by Rome. Compare verse 3 with verse 14 and you have it.

Prophetic periods are calculated on the basis of "Each day for a year," according to Ezekiel 4:5&6. This reference should be read, with comments that a number of very wonderful periods of prophecy have come to pass using this method of calculation.

As we apply it to this particular period we find that there were exactly 1260 years when church and State were united, and the Saints were given into their hands. The last one of these three kings was plucked up the year 538 A.D., viz. the Ostrogoth horn. We add 1260 to this date and it brings us to 1798. This was the very year that Napoleon sent his general Berthier to the conquest of Italy. The pope was captured and exiled to an island in the Mediterranean sea, where he died three years later; according to history. Thus church and State were separated. The Protestant banners were unfurled in Rome that year, and this prophecy was fulfilled exactly. This power continued precisely 1260 years.

Historics tell us that from fifty to 100 million were put to death during this period because they would not yield to the teachings of Rome. Old editions of the Britannica Encyclopaedia, also the "Old Family Bible", "Bucks Theological Dictionary", "Fox's Book of Martyrs", and many other reliable histories tell about this

time of persecution.

The other point of "Changing Law", can be taken up at a later period in the study of the chart, according as how each person giving the study is led, after seeking for wisdom from above. It might be too early in the series to present the change of the Sabbath which was also done by the same power of which they themselves boast, and still claim they have the power to do.

### THE INCARNATED BEAST AND THE DAUGHTER OF ZION.

Lesson No. 5

In order to show the connection between the book of Daniel and the book of Revelation, the last book of the new Bible, we first only introduce to you this beast which so much concerns us in the closing drama of this Gentile age. The ten horns correspond to the ten toes of the image of Daniel 2nd chapter and are destroyed with the coming of the Messiah. They are now on the stage of action.

The introduction of the book of Revelation is on this wise,—"Blessed is he that readeth and they that hear the words of this prophecy and keep the things that are written therein." Chapter 1, verse 3.

The angel that talked with this Jewish prophet said, "Write the things which thou hast seen, and the things which are, and the things which SHALL BE HERE AFTER," Verse 19.

This beast was seen by the prophet coming up out of the sea, (The sea or waters represent people and nations and tongues, Rev. 17:15), hence it arose from among the nations. The four beasts of Daniel 7th chapter also came out of the water, as the winds of war blew upon them. Daniel 7:2. Winds represent war. Jeremiah 25:32.

Note that this beast is an incarnation of all of the four beasts of Daniel chapter 7. It says "The beast was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion." Verse 2. It has the same number of heads and horns also as the four beasts together. Therefore it represents all of the

portion of the earth, and all of the nations symbolized by these four beasts. In other words it is a symbol of the consolidated Roman Empire. More to follow later.

#### THE DAUGHTER OF ZION

The "Daughter of Zion", is described in the 12th chapter of the book of Revelation, representing as it does the twelve tribes of Israel illustrated by the twelve stars in her crown. She also symbolizes the gospel church with the twelve apostles. A woman in Bible prophecy is used very much to symbolize a religious body or organization. Note the following scripture Zephaniah 3:14, Zechariah 9:9, also 2:10. Again in Matt. 25:1-8, and Rev. 19:7, 8.

This woman was clothed with the sun, representing the light and glory of heaven, having the moon under her feet, the ruler of darkness subdued and put down. She is going to deliver a male child. The repeated promises to Israel that a child would be born, the coming Messiah. Isaiah 7: 14, also 9:6, 7, also 11:1, 2 and 53:2. This child was brought forth who was to rule all nations with a rod of iron. Rev. 12:5. and Psalms 2:7-9.

The great red dragon was waiting, standing before the woman to devour this child as soon as it was born. This dragon represents "Pagan Rome" with the ten subordinate kings, represented by the ten horns upon the dragon. Herod was one of these ten, and he made an attempt to destroy this child Yeshua (Christ) as soon as he was born, the record of which we find in Matt. 2:16. The promised Messiah was to come as a child and grow up, as the above scripture clearly states. This fact has been overlooked by the Jews.

#### THE DAUGHTER OF ZION

#### CONTINUED — REV. 12th CHAPTER.

Lesson No. 6.

We have learned from our previous study that a beast represents an earthly kingdom or nation, and that the horns on the beast represent kings. Daniel 7:23. We shall find this application most remarkably

carried out in other prophecies to which history has responded with marvelous accuracy.

At this time all of the Gentile nations of the world were Pagan. That is they were idol worshippers. The great majority worshipped the sun, while many worshipped the moon. There were seven main divisions of these ten nations and ten rulers, seven of which wore kingly apparel and were kings under Caesar at Rome. Later, as we will find, this dragon gave up its power and great authority through a merger with the ecclesiastical bishops and Pope, the head of the church at Rome. We will show you from history just how this came about, a fact recorded by all historians.

It says of this child that came forth from Israel, that it, "was caught up unto God and His Throne." Verse 5. This is also recorded in Acts 1:6 to 10, and Mark 16:17-20. This child, the long promised Messiah came and was born in Bethlehem (Micah 5:1&2), and "Gave His soul an offering for sin, bearing the sins of many, and for the transgression of His people was He smitten. — Isaiah 53:5 to 12. This Messiah is now soon to come again to deliver His people, and restore the kingdom to Israel, as repeatedly promised in the Scriptures.

After the child was caught up to heaven, the dragon went to make war with the woman. It says, "She fled into the wilderness," from the wrath of the dragon and the beast, where she was fed of God for 1260 days. Verses 6, and 14. Note that this exactly corresponds with the time the Roman beast with the little horn (Dan. 7:25) persecuted the saints, from 538 A.D. to 1798, exactly 1260 years.

After this period of persecution was over, "THE EARTH helped the woman." Verse 16. It was the year 1492 that Spain expelled the Jews and all Sabbath keepers. It was also that year that Columbus discovered America, and there was opened up in this part of the earth a vast territory, and there was born a nation, the U.S.A. in 1789 where religious liberty was granted to all mankind, and to this land thousands of persecuted people from Europe fled for refuge. Yes the EARTH helped the woman.

The final events which are now forming, are soon

to come to pass, when the dragon is to make war against those who "Keep the Commandments of God, and have the testimony of Christ (Hebrew-Yeshua ha Meshia)." Verse 17.

The dragon is one of the three separate divisions of nations in the battle of Armageddon. Rev. 16:13 It represents Paganism and the REDS of Russia. China worships the "red dragon today," and Russia is known as the Reds, an idolatrous pagan government.

Even in the Chinese section of America's large Cities they have a very large "Red Dragon" in all temples of worship, which on special festivals they parade in the street.

*THE BEAST OF THE REINCARNATION ...*

Revelation 13.

Lesson No. 7.

"I stood upon the sands of the sea and I saw a Beast come up out of the sea having seven heads and ten horns, and upon the horns ten crowns, and upon his heads the names of blasphemy. And the Beast which I saw was like unto a leopard, his feet were as the feet of a bear, and his mouth as the mouth of a lion, and the dragon gave him his power, and his seat and great authority. And I saw one of his heads as it were wounded to death, and the deadly wound was healed and ALL THE WORLD wondered after the Beast. And they worshipped the dragon that gave power to the Beast and they worshipped the Beast saying, "Who is able to make war with him?" Rev. 13:1-4. Notice that this Beast has ten crowns upon his heads, proving that it represents Papal Rome immediately after the merger with the dragon, or Pagan Rome, the year 331 A.D. Notice that it says: "And the dragon gave him his power and his seat and great authority." Verse 2. The dragon was introduced into prophecy in the previous chapter, chapter 12; and is here to take part in the battle of Armageddon. It represents an earthly power with the great authority which was given over to this Roman government.

While its seat and power, and great authority was given over to the pope with church and State united.

Paganism continued and the church of Rome was saturated with idolatrous teaching and practises.

Notice verse 4. It said: "Who is able to make war with him?" and all the people whose names WERE NOT WRITTEN IN THE BOOK OF LIFE WORSHIPPED HIM. Surely it is of great importance that we understand who and what this is. That is one reason why we were informed of the blessing in store for all who read and hear the prophecy of this Book.

This Beast represents Rome before and during the period of the little horn of Daniel 7; verses 8 and 24. — Their work is the same, the time of their power is the same. The little horn made war on the Saints for 1260 days, or rather years. NOTE this Beast makes war on them for 42 months which is exactly the same length of time, with the 30 day month as was proven to you in the previous lessons. It says in Daniel 7; verses 8 and 20, — that it had a mouth speaking great things. We find here the same words: "A mouth speaking great things." — Rev. 13:5.

NOTE with care that one of the heads on this Beast was wounded by the sword, but the deadly wound was healed, and then the whole world wondered after this Beast. It was the papal head with the little horn that was wounded, and then comes back again, and makes war on the Saints at the very closing period of this Gentile age. No man can buy or sell unless he has the "Mark" of this Beast. — Verse 17. This is in the future, but soon to take place.

Notice that the Beast with the LITTLE horn of Daniel 7th chapter, makes war with the Saints and prevails against them: "UNTIL THE ANCIENT OF DAYS COMES" and the time for the Saints to possess the Kingdom." Verses 21&22. This Beast, or Roman Power, was wounded when, what history calls: "The Holy Roman Empire" was broken up, and the pope was made prisoner the year 1798, under the work of Napoleon. Now Rome has come back, and the influence of the power of Rome is being felt more and more, especially through the ecclesiastical system. The European nations and other nations are uniting with Catholicism including the World Federation of Churches, because they have one common enemy, Communism. This is why they

are being drawn together, a worldly set up, against Israel, and those of the Gentiles who love Israel, and are observing the Bible Sabbath, the same as Israel. They are being classed together with the Jews, by the "World Federation of Churches," to be cast out with them as evil.

The NATO, "North Atlantic Treaty Organization," now operating in Europe is a reviving of the same territory known in history as, "The Holy Roman Empire", and it has been said and published that the Pope is the director of this organization, hence it represents the "Revival Of Rome," or the healing of the, "Wounded Head."

Remember that this same beast is one of the three divisions of the world, that takes part in ARMAGEDDON, with the "Dragon" and the "False Prophet" Rev. 16:13, 14.

The Messiah comes however, to deliver, in Eze. 38 and Zechariah 14. We are to-day in this very period, and further lessons from this chart will furnish proof of the times in which we now live, and what is in store for the future. This chapter is continued in the next lesson.

### THE FALSE PROPHET OF ARMAGEDDON

Revelation 13th chapter continued.

Lesson No. 8

We will now consider the beast with two horns as seen in the lower left hand corner of the chart. It is introduced in Rev. 13:11, which reads as follows,--

"And I beheld another beast coming up out of the EARTH and he had two horns like a lamb, and he spake as a dragon." And he exerciseth all the power of the first beast before him, (the one with seven heads and ten horns of study no. 8), and he causeth the EARTH and those that dwell therein to worship the first beast WHOSE DEADLY WOUND WAS HEALED."

As a beast represents kings or ruling powers, and as this beast is one of the triune powers that gather the nations of the world to Armageddon (Rev. 16:13, 14), let us search carefully for the nation or nations symbo-

lized by this two horned beast.

Notice that it comes up and does its work jointly with the beast that was before it, in this same chapter, viz. this Roman beast after the deadly wound is healed. Verse 12.

He comes up out of the earth. Verse 11.

He has two horns like a lamb, innocent, lamb-like.

He speaks as a dragon. Verse 11.

He causes the people of the earth to worship the first beast.

He makes fire come down from heaven. Verse 13.

He does great wonders. Verse 13.

He creates an image (likeness) to this first Beast.

He deceives those that dwell on the earth through great miracles. Verse 14.

He has power to give life to the image of the beast.

He has power to cause all who would not worship this image to be killed. Verse 15.

He causes all people to receive a mark in the forehead or in his hand. Verse 16.

He prevents all who will not worship the beast or receive his mark from buying or selling. Verse 17

The BEAST that he demands all people to worship has a number, which is the same number of "A MAN," and that number is 666. Verse 18.

Notice that all of the other beasts introduced in prophecy come up out of the sea, or from among the peoples nations and tongues. Rev. 17:15. But this beast comes up out of the earth. Quite a contrast indeed.

Now notice in the previous chapter of Revelation, and last verse (Rev. 12:17), that the EARTH helped the woman, after the period of 1260 years persecution by the beast and the dragon. It has been previously shown that this was the discovery of the new continent of North America, and the establishment there of a nation, of freedom of worship, the U.S.A.

Here we find this beast rising up out of the earth, not from among the people and nations, but in a different place and manner. This beast with two horns like a lamb and having more power than any other nation on earth represents the United States of America, or the North American Continent.

THE NUMBER 666 AND THE FALSE PROPHET  
REVELATION 13.

Lesson No. 9.

It has two horns like a lamb, giving religious liberty, innocent and harmless in appearance, but speaks as a dragon; with great power and influence. Does great wonders. Most of the great inventions have come from the U.S.A.

Brings fire down from heaven. Was the nation that brought electricity into use for light and power, etc. Also brought into being the Atomic fire of the Atomic Bomb.

Creates an image to the Beast before him. The Beast before it was wounded, was a union of all nations of Europe under one ecclesiastical head over which the pope ruled.

The image (Likeness), is a union of all the church organizations under one head, now being formed. "The World Union of Churches".

This is rising in the U.S.A. and already has the sanction of the government, which will come out more visibly into the open very soon.

Gives life to the "Image Of The Beast" to cause all who refuse to fall in line to be killed.

This "Federation of Churches" will enforce Sunday on the world, as a day of rest.

All who will not join with this Beast, and image will not be allowed to buy or sell. — Verse 17.

He deceives them that dwell on the earth. — Verse 14. He is the "False Prophet", (deceiver), and to prove this compare — Rev. 13:14 with 19:20.

The former reads, "And he doeth great wonders so that he maketh fire come down from heaven on earth in the sight of men. And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the Beast, saying that they should make an image to the Beast which had the wound by the sword."

The latter reads (Rev. 19:20), "And the Beast was taken and with him the "False Prophet" that wrought

miracles before him with which he deceived them that had received the mark of the Beast, and them that worshipped his image."

Here we find the same language used in connection with them both. This "Two Horned Beast" has greater power than either of the other two companions in Armageddon, and is classed as the false prophet because he is, and will be the leader in the false "Peace Cry", that world peace and security, will be established over the earth through the U.N., a man-made organization, which will come to naught.

When the "Prince of Peace", the coming Messiah and future King of the world returns, then, and then only will perpetual peace be established. Notice I Thes. 5:1-3; Rev. 11:5; Micah 4:3&4; Psalms 110; Daniel 7:27, etc. . . .

The two horns may represent the two political parties in the U.S., viz. the Republican and Democratic parties. Some believe that the two horns represent the rulers of Canada and the U.S.A., and that a more compact union between the two will be formed soon. This may be true. Let us prayerfully watch developments.

The last verse says: "Here is wisdom, let him that hath understanding count the number of the Beast, for it is the number of a man, and his number is six hundred three score and six."

In the ancient Chaldean name of Italy which was Saurina, Rome was called the city of Saturn. The Chaldean numerals in the word "SATURNIA" gives us the number 666. SEE "Chambers Encyclopaedia, page 171.

King ROMULUS built Rome over 2600 years ago, and his name in Hebrew being Romiith, gives us the same number: 666. Rome was the 4th universal Gentile kingdom to rule the whole world, and the prophet said that the 4th Beast was the 4th kingdom. — Daniel 7:23. This Beast is the one appearing in Revelation the 13th chapter, with the incarnation of all four Beasts together.

Now the prophet said that the number of the Beast was the number of a MAN. Strange it is, but never the less true, that the most powerful man associated with the Roman Empire, and who christened this counterfeit day of the sun, and indorsed it for his people also

has the same number 666, closely associated with him. The Latin inscription: — "Vicarius Filii Dei", which means in the place of the Son of God, is said to be on the triple crown of the Pope. It is said to be displayed in Vatican city. The value of these letters in the Latin numerals are as follows:

VICARIVS — V is 5, I is 1, C is 100, A and R have no value; I is 1, V is 5, and S has no value. — Therefore this word equals 112.

FILII — F has no value, I is 1, L is 50 and II is 2; equalling — 53.

DEI — D is 500, E of no value, I is 1, totalling — 501. If we add the sums of the three words together, we achieve a total of exactly — 666, which further establishes the "Roman Empire" as the Beast and it was this man, that ruled jointly with the Beast during this period when church and State were united.

### DANIEL 8th CHAPTER

#### Lesson No. 10

This lesson concerns the ram and goat, as pictured on the chart, and given the names of Medo-Persia and Greece. The Prophet says: "I lifted up mine eyes and saw and beheld there stood before the river a ram which had two horns, and the two horns were high, but one was higher than the other and the higher came up last. I saw the ram pushing westward and northward and southward, so that no Beasts might stand before him, neither was there any that could deliver out of his hand; but he did according to his will and became great. And as I was considering, behold a he goat came from the west on the face of the whole earth, and touched not the ground, and the goat had a notable horn between his eyes." — Verses 3, 4&5.

Then in verse 8 it says: "The great horn was broken, and from it came up four notable horns toward the four winds of heaven."

It was the year 538 B.C. when the Medo-Persian empire began. This was the year of the "Hand-writing on the wall", (Dan. 5th chapter) when at the feast of Belsazzar, the Medes and the Persians entered the city of Babylon under the great wall, in the river bed, after having turned the river into another channel miles

above, and slew the king with a thousand of his officers. This is where the vision of this 8th chapter begins; The prophet beheld this Beast "standing before the river." Verse 3. They were working for months digging this great channel to turn the course of the river. The ram had two horns, it was King Cyrus and King Darius, for they were the two kings represented by the two arms of the Gentile image of chapter 2.

To obtain the proper dates when these events occurred, notice the top of the pages in your Bible, as most Bibles contain the dates when the events happened. These are also found to agree with all histories, as well as recent excavations. For instance; three years ago some ancient records were unearthed here in Jerusalem showing that Daniel actually lived in the days of the ancient Babylonian empire. This vision of Daniel was not written after all of these events occurred as Communists are now claiming, and publishing to the world. They are proven facts of history, confirmed by millions of volumes in many languages, histories and encyclopaedias, taken from ancient as well as more recent archaeological discoveries.

It was the year 553 B.C. that this prophet saw the vision of the goat standing by the river having the two horns, but it was not until 538 B.C., or 15 years later that the conquests began by slaying of king Belsazzar, and taking over of the Babylonian kingdom. It was 200 years before Medo-Persia was conquered by the HE goat and 215 years before Grecia was divided into the four divisions. — Verse 8.

Note that the angel Gabriel came and interpreted this vision to Daniel; He said: "The ram which thou sawest having two horns, are the kings of Media and Persia, and the rough goat is the king of Grecia and the horn that is between his eyes is the first king. Now that being broken, whereas four stood up for it, four kings shall stand up out of the nation, but not in his power". Verses 20, 21, 22. This came to pass 215 years later.

Alexander the Great was the first king of Grecia, as all histories tell us, and at his death, the nation was divided among his four generals. This was also illustrated in the previous lesson by the four heads on the

leopard Beast, and the names of these four were given. The reason why the vision is repeated here is to give more detail, and to introduce the work of the power illustrated by the horn: "That waxed exceedingly great toward the south and toward the east and toward the 'Pleasant Land.'" This power was in this manner pronounced.

**THE EXCEEDINGLY GREAT HORN  
MOHAMMED AND THE ARABS**

Lesson No. 11.

There were four Beasts brought to view in Daniel the 7th chapter, and from the last one there appeared a little horn which represented a religious order, the papacy, the uniting of church and State.

Now we come to Daniel the 8th chapter, and two of these world kingdoms viz. Medo-Persia and Greece are again brought forth in symbol of two Beasts, for the express purpose of introducing us to another apostate religious system, viz. — Mohammedanism. It is pronounced here, and its future work revealed which concerns Israel in the latter days.

It says of this "Great Horn", that he magnified himself even to the Prince of the host, (Yahshua - Christ, Prince of the kings of the earth), and that by him the daily sacrifice was taken away, and the place of the sanctuary cast down." The Arab mosque on Mt. Moriah.

In the Islamic Bible, "The Koran", it says: — "God has revealed Himself to four Holy men; Moses, David, Christ and Mohammed, the last and greatest of them all" Hence he magnifies himself above the Prince of the host of heaven. He fulfilled this prophecy.

This horn waxed great in three directions; viz. toward the south, toward the east and then toward the Pleasant Land. This is exactly the direction Mohammed went in his conquest. History says the year of 622 he turned away from the power of a preacher and assumed that of a warrior, taking the sword to conquer. First he went south and conquered Mecca, then to the east, then he went forth westward. He had twelve apostles the same as Christ; and believed the Jews at Jerusalem would accept him as their Messiah. When they would not do so he made war on them, and Jerusalem was captured about the year 632. They immediately built

a temple called a "Mosque" on Mount Moriah where the Jews were then offering their sacrifices.

Hence he took away PERMANENTLY their daily sacrifice. It has never been restored. He cast down the "Place of the Sanctuary", fulfilling this prophecy.

This horn did not represent Rome as many have taught, because Rome did not wax great toward the south, and should she have done so it would have gone into the sea, then across the sea into Africa. This is not the way the Roman armies first marched in their conquest of world supremacy. Furthermore this horn did not develop into another world kingdom, which it would have done if it had been a pre-announcement of the Roman Empire.

The erroneous application of the work of this horn to Rome was first published 130 years ago by the Adventist people before the clearer light of later historical evidence had been widely circulated. Information at that time was very much limited, and the work of Islam was held in obscurity. Each of these two religious systems number more than three hundred million.

The Roman Catholics set forth Sunday for the Sabbath in their merger with the sun-worshippers of ancient Babylon, 331 A.D. In their own encyclopaedia they claim the pope sanctified their sabbath because they did not want a day in common with the Jews.

The Mohammedans later chose Friday as their Sabbath because they did not want a day in common with Rome, the pope, or the Jews. Hence we find the true Sabbath, the 7th day of the week, blessed and sanctified at creation, observed by the Messiah Himself, and by all the Patriarchs, Prophets and Apostles, in the middle with a false one on each side.

The Messiah was crucified, (Isa. 53rd chapter) between two thieves. One of these thieves confessed that he was the Messiah while the other did not. What a similarity. The church from Rome confess and teach that he is the Messiah, and believe in him, while the other, the Mohammedans do not. The truth is still crucified between two thieves, very unpopular, with vast multitudes opposing it, but "straight is the gate and narrow is the way that leads to life, but few there

olation of the Holy Land, for over 1200 years.  
 "Sales History of Mohammedanism," which is found in many libraries in America and other places, gives the information that around 100 years following the Roman invasion and the destruction of the second temple, the Jews returned in large numbers to Jerusalem and offered up their animal sacrifices from altars built on Mount Moriah, the same as at first when Joshua led Israel into the promised land. They continued to offer their sacrifices for more than 400 years up to the Mohammedan invasion.

THE TIME PERIODS

Lesson No. 12

We have found in our study of prophecy that the Mohammedan power was pre-announced by the angel Gabriel through the prophet Daniel, and that it would play a special part in the events of the time of the end of Gentile times. That it was the one that permanently removed the daily sacrifice and desolated the Holy Land.

The Messiah (Uebrew-Yeshua) speaks of this also in connection with the events of the time of the end. The apostles asked Him what would be a sign of His coming and the end of the world. Matt. 24:3. In the last of a series of events given, He said, "When ye therefore shall see the abomination of desolation spoken of BY DANIEL THE PROPHET stand in the Holy Place, who so readeth let him understand." Verse 15.

As He refers us to the book of Daniel, turning there we read as follows, "Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the WISE SHALL UNDERSTAND. And from the time that the daily sacrifice shall be taken away, and the abomination that MAKEETH DESOLATE set up, there shall be a thousand two hundred and ninety days. But go thou thy way till the end be for thou shalt rest, and stand in thy lot at the end of the days." Daniel 12:10-13. Here we have 1290 days, and then it is extended to 1335, or 45 years more.

be that find it." Matt. 7:13, 14.

These two chapters of Daniel's prophecy pre-announce to the world, the coming of the two apostate religions, Catholicism and Mohammedanism. Regarding this latter power the angel Gabriel says, "Understand O son of man, for at the time of the end, shall be the vision." Verse 17... "Behold I WILL MAKE THREE KNOW what shall be in the latter end of the indignation, for at the time appointed shall the end be." Verse 19. This vision is of great importance. It pertains to the "Later end of the indignation." Mohammedanism, the religion of Egypt, and the Arab world, was pre-announced here as the power that would permanently remove the daily sacrifice, and also cast down the place of the sanctuary, the Holy Temple.

The daily sacrifice has been thrice removed from the Jewish worship, first by Antiochus Epiphanes about 160 B.C. Second by Titus the Roman General 70 A.D. and third, which was final, by the Moslems when Jerusalem was captured and the Mosque of Moslemic worship erected on Mount Moriah, where it now stands, and which we see every few days when passing that way. It was built during the period from 632 and 640 A.D.

One of the four divisions of the Grecian empire represented by one of these four horns on the goat, took in all of Arabia, and this division stood in the days of the Roman empire, and it still stands to-day. It was from this horn that Mohammed sprang, the horn that waxed exceedingly great. He fulfilled the prophecy in the following points:

Magnified himself above the prince, the Messiah.  
 Made his conquests, south then east, then toward the Holy Land.

Arose 600 A.D. when the "Transgressor had come to his full." (the papal horn of Daniel 7th chapter).  
 Removed the animal sacrifice, (the daily sacrifice) permanently from the Jewish worship.

Cast down the place of the temple, and erected the Mohammedan Mosque, which stands there to-day.

Dispersed the Jews, and brought about the des-

pointed with the far end on the date 627 when Mohammed defeated the Roman army and put it to flight, with no further opposition, and the way cleared for the occupation of Jerusalem and the Holy places.

THE YEARS 1967 TO 1972

Lesson No. 13

But there is an extension of this measuring rod just 45 days or years. We are now living in the last part of this period which our Saviour tells us will NOT pass away until A.L.L. is fulfilled. Luke 21:32. Gabriel calls this the waiting time, at the end of which Daniel is to live again and stand in his lot. It says, "Blessed is he that waiteth, and cometh to the 1335 days," which is just 45 more than the 1290, and this extension reaches to 1967, placing the other end at 632, when as some historians claim Jerusalem was captured by the Moslems.

Some historians give the date for the capture of Jerusalem by the Mohammedans 632 and the wooden mosque completed on Mount Moriah on the site of Solomon's temple, the year 637. This Mohammedan temple it is said, would seat three thousand people, but was later torn down and replaced by the magnificent temple of Mohammedan worship which still stands on the spot. Should we place our measuring rod of 1290 years on the later date of 637, this end would reach to 1927. Then the waiting time or 45 years more the last generation would end in 1972. In as much however as these days are to be shortened for the elect's sake, and we do not know just how much this will be, it is very evident that we are happily close to the great resurrection day when our King is coming to reign here at Jerusalem on Mount Zion, and our days to labour for Him, are very short.

Our Messiah also said, "those days shall be shortened for the elect's sake, and no flesh would be saved if they were not shortened." Matt., 24:22. He was speaking of the "Abomination of Desolation" spoken of by Daniel the prophet (verse 15), and of course the apostles, to whom he was speaking, knew their scriptures,

These days reach to the resurrection of the dead, when Daniel will stand in his lot, none of the wicked will understand these prophecies, says Gabriel, but only the wise. The Spirit must be directing you, dear reader, that you shall be one of the wise, for you have discovered these wonderful pre-announcements of world events, soon to take place.

It would seem strange indeed if an event of such magnitude would pass without notice by the ancient prophets. Many students have overlooked this most important event and claim the abomination is yet future. Be sure to carefully note the language of the prophet that it is an abomination that is going TO STAND in the Holy Place, and maketh it desolate, till the consummation Dan. 9:26, 27. That is exactly what the Mohammedans have done. They stood here for 1290 years, and made the land desolate up to the year 1917 when Jerusalem was taken from them, toward the close of World War I.

Place this measuring rod 1290 years in length; on the date of the Hegira when the Moslemic era was first set up, and from which event their calendar was started, the beginning of World War I, confined to the Balkan countries, spreading to the world in 1914, the beginning of the consummation, or the consuming by war of the Gentile nations. It was desolate until the Consummation. — Daniel 9:27 and Isa. 10:21-23.

Now take the far end of our measuring rod to the year 627 the memorable battle won by Moslems — (Arabs) against their enemies which were crushed. This end reaches to 1917 when THEY were defeated, crushed and driven from Jerusalem and the Holy Land. This outstanding event fulfilled the prophecy of Isaiah where he said: "As birds flying the Lord would deliver Jerusalem." — Isaiah 31:4&5.

The English army under General Allenby, ordered a hundred army air-planes to fly over from the Egyptian air base and as they approached Jerusalem the Moslems, struck with a sudden fright, fled in confusion. Thus was the language of the prophet most wonderfully fulfilled, with Jerusalem delivered: "as birds flying". This was the year 1917 to which your measuring rod

and when this direct reference was made to the prophet Daniel, and the "Abomination of Desolation," they knew exactly what days he referred to. It was no other days than those spoken of in connection with this Mohammedan power. Gabriel said the "Wicked would not understand this prophecy, but that the wise would," and it is the same as given by the Saviour when speaking of these days in Matt. 24:15. He said: "Whose reading let him understand."

As these days are to be shortened for the sake of His elect, and as we are not told how much they are to be shortened, we are not able to know the year of the resurrection when Daniel will stand in his lot. Dan. 12:13.

We are in this waiting time spoken of by Gabriel to Daniel, or the extension period of our measuring rod from 1290 to 1335. We have an excellent chance of being among the number of whom Gabriel said Blessed is he that waiteth and cometh to the end of this period. Verse 13. Yes, it will be a blessing that no others excepting Enoch and Elijah experienced, being translated without tasting of death. Paul speaks of this thus, "Behold, I shew you a mystery; we shall not all sleep, but we shall all be changed, in a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed" I Cor. 15:51, 52.

## THE ARMAGEDDON BEAST

### And The Woman Rider

Lesson No. 14

Read Revelation 17:1-6

The angel told Daniel, that a beast represented a kingdom or a nation, and the horns on the beast are kings. Daniel 7:23-34. A woman in prophecy we have learned represents a church, a religious order. Hence we have in this lesson a pre-announcement of the time when church and state were united under the Roman empire, and the events down to the end.

This same beast was introduced in chapter 13, a combination or incarnation of all of the 4 beasts of Daniel chapter 7, a symbol of the Roman empire, the Caesars at Rome.

We have also learned that the dragon gave it's seat and power and great authority to this beast which was before that, "Like unto a leopard," (13:2), but now after the merger with the red dragon it changes color to scarlet, and has the woman rider.

All histories and encyclopaedias devote many pages to this pre-announced period when the church at Rome was united with the state, and the Pope became the ruling sovereign of what was called "The Holy Roman Empire." These events pre-announced by the angel to John hundreds of years in advance, came to pass with astonishing accuracy, and Rome, of the Western leg of the Gentile man, ruled for 1260 years controlled by the church from 538 to 1798 A. D. During this time the Greek church ruled in the Eastern division with St. Petersburg, (Now Moscow,) the ruling center. We still have the east and the west.

Notice particularly that this woman or church is rich, decked with gold and precious stones, and holds a golden cup in her hand full of abominations, and makes the inhabitants of the earth drunk on the wine of her false teaching, viz Sunday for the Sabbath, sprinkling for baptism, purgatory, power of priestes to forgive sin, confessing of sins to man instead of the Creator, beginning the day at midnight, and the year in January, Christmas Dec. 25th, a holiday in Babylon

## MICAH 5:1-2

The "Remnant" is to be called out of Babylon and "RETURN TO THE CHILDREN OF ISRAEL." This is a pre-announced fact to come, just as sure as the Messiah was born in Bethlehem.

With all of this wonderful prophecy fulfilled except this, the last part of verse 2, it will also come without fail, and is NOW most visibly taking place.

This REMNANT is giving up all Pagan beliefs and practices, and returning to the Religion of Israel, in keeping the Law and the true Sabbath. They are learning that the holidays of Israel are days chosen of the Almighty and commemorate miraculous events of the past, concerning His mighty works for His own People, the Feast of Tabernacles, Passover, etc. . . .

The Heavenly Father honored Pentecost in this age. Acts 2:1-4. Paul observed Pentecost. Acts 20:16, and I Cor. 16:8.

The Feast of Tabernacles is to be kept in the next age. -- Zechariah 14:16&17.

### The Last Message

The third and last world-wide warning message to all people is: 'IF ANY MAN worship the BEAST and his IMAGE, and receive his MARK in his forehead or in his hand, the same shall drink of the WINE OF THE WRATH OF GOD.' Rev. 14:9&10. This WRATH is the seven last plagues -- Rev. 15:1; and 16:1.

### There Is Help For You

There is a "LAW OF THE SPIRIT OF LIFE", that will unlock heaven's treasures for you. When a piece of steel comes in contact with another piece that is charged with magnetic electricity, it partakes of the same power. Our bodies are temples for the indwelling of the Holy Spirit. I Cor. 3:16 and II Cor. 6:16. When we contact heaven in humble prayer, being properly tuned in on the correct wave-length, we receive a charge of "Heavenly Virtue." -- See Luke 6:12&19.

The only proper way to speak with the Father for this Spirit is in the name of this "Great High Priest",

for 600 years B.C., and Easter also a Pagan holiday.

How wonderful that the world was warned of the coming of this combined power of church and State, hundreds of years in advance. Thousands led by the Spirit recognizing this power, refused to obey, and received the blessing promised in the beginning of this book to all who would read and hear these prophecies. It is of no less value to-day, for other things are now about to take place, just as astonishing and far reaching.

Notice verse 5, that this woman is branded on her forehead: "MYSTERY BABYLON THE GREAT THE MOTHER OF HARLOTS." Yes, this church is a mother, because from her sprang forth hundreds of different Protestant churches. NOTE that these are also called harlots. A harlot is a woman that was once pure and virtuous, but later fell into fornication and corruption.

This has been the case with most all of these modern churches, including the one riding the Beast. At one time they were composed of sincere, praying, sacrificing, true and honest souls, but now in this closing period of Gentile times, many have fallen away, became worldly, and cages of every unclean and hateful bird, as we find described in the following chapter 18:2, where it is speaking of: "Babylon the Great", this harlot and her daughters.

### A Voice From Heaven Speaks

In verse 4 of this 18th chapter it says: "And I heard another voice from heaven saying, 'Come out of her MY PEOPLE that ye be not partakers of her sins, and that ye receive not of her plagues.' This is the message now to the mother church and to all her daughters. The Father has people in them yet, or they could not come out. Notice that it says: "Come out of her MY PEOPLE." Why does the loving Heavenly Father want His People to come out? It says: "That ye partake not of her sins and RECEIVE NOT of her plagues."

The seven last plagues recorded in chapters 15 and 16 are soon to be poured out upon the whole world. But they will not effect those who come out of this BABYLON before it is too late.
