Dear Mr. White,

Thank you for your letter of the 30th March. I enjoyed hearing from you again.

In regard to corresponding with Mr. Palle Christophersen, I cannot give you his address since our mailing list is confidential. You could write to him in care of Mr. Peter Shenton at our office address and he can pass the letter on to him.

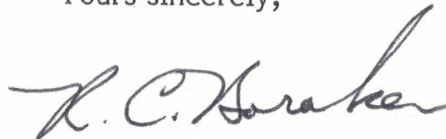

For the same reason, we cannot give you the address of Mrs. Gladys Carnes. The pastor of the Brighton church is Mr. John Meakin and you could write to Mrs. Carnes in care of Mr. Meakin, using our office address.

I will enclose some information about the modern identity of the Ten Tribes other than Ephraim and Manasseh. You should understand that the placement of some tribes in relation to the Scandinavian nations is still under discussion and some members have various views. One good book about the Netherlands being from Zebulun is: "The Netherlands -- Strange Parallel", by Helene W. van Woelderren. It costs £2.00 and is available from:

The Real Israel Press,  
55 Hill Head,  
GLASTONBURY,  
Somerset.

Thank you again for writing, Mr. White, and if I can be of further help to you, please don't hesitate to let me know.

Yours sincerely,

R. C. Boraker
