

Mr. McCrady Returns For One Year Stay

We are happy, once again, to have Mr. McCrady with us. He was here for one semester nearly two years ago—as a minister taking advanced classes.

Mr. McCrady began to serve God as a lay member in the Saint Louis church. Because of steady growth and consecrated effort, God was able to use him further. He was ordained as a deacon.

Two years later—because of his love toward the brethren—he was ordained as a local elder.

Last fall he pastored the South Bend, Indiana church. More recently Mr. McCrady ministered the churches at Liberal and Wichita, Kansas.

This summer he led a baptizing tour through the sparsely populated Northwest—including Montana, Idaho, the Dakotas, Iowa, Nebraska, and Canada.

Mr. McCrady will be here for one year. Basically he will be working with the Santa Barbara Church. He will be working directly with the Ambassador men in local field assignments. He will also be taking *additional classes* here at college.

All of you will have the opportunity to meet and talk with him. Take advantage of it—you will *learn much!*

“Pray hardest when it’s hardest to pray!”

“You will never find the time to pray—you will have to take the time.”

“If you are too busy to pray, you are too busy.”

Dr. Benjamin Rea Takes Historic Tour Through Latin America

San Jose, Costa Rica

“I don’t have the fruits of a Christian life—and as I HAVE NOT BEEN BAPTIZED—I know I don’t have God’s Spirit.

“Inside my heart there are thoughts so bad—that one who is a Christian could not have these thoughts. My mind is full of vanity, egotism.

“I don’t want to be like that—but I can’t change. I suffer for this. I don’t have spiritual peace.

“How weak I am in this pagan world of Costa Rica. IF ONLY I COULD BE BAPTIZED!!” wrote a woman from Costa Rica.

DR. REA BAPTIZES IN LATIN AMERICA

This woman has been counseled with—and BAPTIZED! In another “first” for God’s work—Dr. Benjamin L. Rea is taking a baptizing tour THROUGH

SOUTH and CENTRAL AMERICA.

Here is an excerpt from the letter this woman wrote—showing how happy she is and showing the tremendous need in God’s work. “Dr. Rea almost got killed the day before on a street in Mexico. Something fell off a building and missed him within a *few inches*. Satan really didn’t want him to get to me, but he *did!*

“That evening he baptized me in the

bathtub of his hotel room. He said to me, joking, ‘I bet you are the only person to be baptized in the Hotel Costa Rica!’ I almost didn’t fit in; fortunately I’m very small.

“If I am a Christian I *must* CONFORM to His will. It’s been such a

long wait, for baptism, and I’m so grateful that it has at last come to me.

“It does make a *difference*, A BIG DIFFERENCE! It’s only been two days, not even 48 hours yet, but I’m somehow not the same.

“Oh, I don’t mean that I don’t still have my horrible old human nature. It’s still there all right, but something has CHANGED IN ME, something that really I can’t explain.

“I just *know* that it HAS, that’s all. Now I know that NOTHING ELSE MATTERS except the Kingdom of God. There is nothing else.”

Dr. Rea’s tour will take him through nine Latin countries—Mexico, COSTA RICA, Panama, Columbia, Peru, Chile, Argentina, Uruguay, and Puerto Rico!

TOUR IN PROGRESS NOW

Mexico City was the first stop of the tour—August 1, 1962. Right NOW—as you read this paper—Dr. Rea is somewhere in ARGENTINA! His tour is to be completed September 7—in Puerto Rico.

Here is more *growth*—in another area of the *world!* We await final results of this tour. God’s Work is steam-rolling ahead—in this last-ditch, 11th-hour warning to the world!
