TEST FOUR

FOR LESSONS 13-16

THIS multiple-choice test is designed to help you review the subjects you studied in your Bible with the preceding four lessons. It's an enjoyable way of putting to *use* some of the vital knowledge and understanding you have gained through this course.

Notice that there are *four parts* to the test, each part covering one of the previous four lessons. You should take this test *after finishing* your studies with these four lessons.

Also notice that you must select one of the four choices given under each question or incomplete statement. These choices are labeled A, B, C, D. Only *one* is correct. The other three choices are wrong—*unless* stated or indicated otherwise. Usually they are false ideas believed by the majority of professing Christians today, or by those who do not believe in the Creator God and the divine inspiration of the Bible.

From among the four choices, select only the *one* that you believe to be correct and *circle* the letter of that choice with a pen or pencil. As an example, the correct choice for question one is already circled for you.

Take sufficient time to understand each question or statement, as well as the choices. Try to do as many as you can without referring to the previous four lessons. If you have any difficulty deciding on the correct answer, then *review* the part of the lesson covering the point under question or the statement to be completed. We expect you to do so—it isn't cheating!

Once you have finished the test and are satisfied with all of your answers, *transfer* them to the test

answer card that accompanies this test. Simply place an "x" in the box corresponding to the letter of the choice you have circled for each question or statement. As an example, number one on the test answer card is already marked correctly for you. Take *special care* in transferring your answers to the answer card so that you do not make an error during this step.

When you have completed the entire test and have transferred all of your answers to the test answer card, follow the directions for returning it to our office you normally write to. There it will be graded and mailed back to you. Our mailing addresses are printed on the reverse side of the test answer card instructions and on page two of this test.

We will continue to send you additional lessons as long as you sincerely desire to understand more of God's Word with the help of these lessons. So be sure to *take this test* and send us your completed test answer card!

About Your Score

Your graded test answer card, showing your exact score, will be returned to you. A score of 75 percent or above is a passing grade. After satisfactorily completing this test, Lessons 17 through 20 will be sent to you at the rate of one per month. Test Five will be included with Lesson 20.

Remember: No further lessons will be sent to you unless you complete and return the enclosed test answer card for grading.

Now you are ready to begin the test!

The Staff

KING David was a man after God's own heart (Acts 13:22). Do you know why? It was because David studied and thought deeply about God's Word every day (Psalm 119:97).

The Bible is the words and thoughts of God recorded for us *in print*. The more we study His Word and strive to put it into practice in our lives, the more we *think* and *act* like God. Thus, by drinking in deeply of God's mind and outlook, David became a man after God's own "heart," or mind.

There was something else David did that endeared him to God. David looked at God's creation and felt his own insignificance and inadequacy (Psalm 8:3-4). Humbly, David *asked* God for help in understanding His way.

Many times in the Psalms David asked God to guide him in his study — to open his mind and reveal His truth. Read Psalm 119:33-40 for one example of how David prayed to be taught of God. Before you begin studying the Bible each day, you too should ask God in prayer to open *your* mind to understand His Word.

Many intelligent men have made a lifelong study of God's Word but did not understand it. However, we *can understand* the Bible today, but not because of any special intelligence we may have. It is because of God's mercy toward us and because we have *asked* God to open our minds and give us *His* understanding of His Word.

Conversation with God through daily prayer is vitally important in our study of the Bible. Our time could be spent in vain unless we ask, in *heartfelt* prayer, for God's guidance in our studies. Heartfelt because we recognize that our purpose for Bible study is not just to gain academic knowledge, but to move closer to the stature and the fullness of the very character of our Savior Jesus Christ! (Eph. 4:13.)

Prayer to God is not a one-way street. God *speaks to us* through His recorded Word. Through this two-way communication we come to really know the mind of God and Christ, and go on to develop Their holy, righteous character.

God's Word not only shows us how to live His wonderful way, it also shows us where our thoughts or ways are not in accord with His law of love. Therefore, when we study God's Word our attitude should be the same as Jeremiah's: "O LORD, I know

that the way of man is not in himself: it is not in man that walketh to direct his steps. O LORD, correct me, but with judgment; not in thine anger, lest thou bring me to nothing" (Jer. 10:23-24).

We should want to incorporate the intent of Jeremiah's words as a meaningful part of all our prayers. We should have a teachable and yielded attitude. This approach to your study of God's Word, with the help of these Bible correspondence course lessons, will enable you to really understand God's wonderful master plan for mankind.

So let God show you the way to an abundant life now and on into eternal life as a member of His universe-ruling family!

 - He rejected them and chose another nation as His own.
 - He continued to plead with them for several more centuries.
89. Israel didn't keep its part of the covenant with God because
- blessings for obedience never came when they followed righteous leaders.
 - the blessings were insufficient for the effort required.
 - in lacking God's Holy Spirit, they couldn't resist Satan and submit their carnal natures to God.
 - of their spiritual comprehension of God's Law.
90. The record written in human experience by Israel and Judah proves
- nothing for us today.
 - that disobedience was unique to them.
 - that given enough time they finally would have obeyed God.
 - that without the Holy Spirit man is incapable of understanding God's spiritually revealed truth and obeying the Ten Commandments from the heart.
91. Why did Jesus speak to the Israelites in Judea in parables?
- To make plain the truth of God.
 - To maintain the spiritual blindness of the majority because their time to understand had not yet come.
 - So they would understand and repent.
 - To gather a large following of true believers.
92. When did God start to open spiritual understanding to the Gentiles after founding His New Testament Church?
- Simultaneously with the Jewish converts.
 - One year later.
 - About ten years later.
 - Just after the Romans destroyed Jerusalem.
93. Which one of the following is *not* true?
- Gentiles (non-Israelites) can become heirs to the spiritual promises made to Abraham by becoming spiritual "children" of Abraham through Christ.
 - Israelites by birth must also become Christ's to receive the spiritual promises.
 - To date, relatively few natural-born Israelites have been called by God to become spiritual Israelites.
 - The spiritual promises made to Abraham pertain to flesh-born Israelites only.

94. Why did God call ancient Israel a “congregation” and a “church” even though they did not have the Holy Spirit?
- These people were a *physical type* of the spiritual Church that was to be established when Christ came.
 - Duality in God’s plan certainly has nothing to do with it.
 - Because the nation was deeply religious.
 - Because the Israelites were churchgoers.
95. Spiritual Israel today
- is the Church of God composed of *spiritual Israelites*, whether Israelite or Gentile by birth.
 - is in training to rule with Christ when He comes.
 - has been called by God to proclaim the Gospel of the Kingdom of God to the world.
 - All of the above.

 - is to happen with modern-day descendants being taken as slaves to nations all over the earth.
 - will be mild compared to the former captivity.
 - will not include the Jews.
97. Which of the following will *not* happen to the modern-day descendants of ancient Israel?
- God will allow *all* of them to die in captivity as punishment for past sins.
 - At Christ’s return He will rescue the remnant of Israel from captivity.
 - The coming exodus of Israel out of captivity will be far greater than their former exodus from Egypt.
 - Christ will restore these regathered Israelites to the promised land, where He will make them a model nation.
98. How will the Israelites respond to God when restored to the land of their forefathers?
- They will rebel against Him as before.
 - They will reject David as their king.
 - They will resist unification of the nation.
 - They will repent bitterly, turn to God in obedience, and become an example for other nations to follow.
99. What will *not* contribute to Israel’s obedience toward God?
- Their realization, through the influence of the Holy Spirit, of having sinned against God.
 - Their receipt of the Holy Spirit, which will help them to obey.
 - Attending church regularly on Sunday.
 - Their appreciation for God’s manifold mercy.
100. What does the “valley of dry bones” in Ezekiel 37 picture?
- The utter desolation at the close of human misrule.
 - The destruction of all mankind.
 - A resurrection to spiritual life.
 - Millions of ancient Israelites being physically resurrected after the Millennium to receive their *first chance* to understand God’s master plan, develop His character and receive eternal life.

Final Instructions

Now that you have finished the test, transfer your answers to the test answer card. Also please follow the instructions for returning it to our office you normally write to, where it will be graded and returned to you. Be sure to *keep* this test together with your lessons.

You will find it profitable to *review* the test

questions and the correct answers occasionally. This will help to further cement the truth of God’s Word firmly in your mind. And reviewing the false answers will help you to clearly see some of the false ideas you may have assumed to be God’s truth. You will thereby grasp and retain new truth more easily with the help of future lessons.

INSTRUCTIONS FOR THE TEST ANSWER CARD

Dear Student:

Below is the test answer card for the enclosed multiple-choice test. Please do not separate it from the instructions you are now reading until just before you mail it. Keep it in your notebook until you are ready to transfer your answers from the test to the card. Complete instructions for taking the test are found on page one.

Before you put this card in your notebook, please note the *test number* on the front page of the test. Write that number on the answer card below in the box labeled "Test Number."

Just before mailing, separate the test answer card from these instructions by tearing along the perforations, being careful *not to fold or bend* the card. Be sure to print the address of our Correspondence Course office you normally write to on the lines provided on the opposite side of the answer card. The

addresses of most of our offices worldwide are listed on the reverse side of these instructions.

If any part of your name or address on the mailing label is incorrect, please print the necessary changes on the label itself. Do *not* remove the label. Finally, put a stamp on the card and mail it. Please allow approximately six weeks to receive your graded test card.

Remember: No further lessons of The Ambassador College Bible Correspondence Course will be mailed to you unless you return the test answer card for grading. So the *sooner* you finish the enclosed lesson and take the test, the *sooner* you will receive the next exciting lesson!
