

# Chart of Influencers on the Development of Church of God Doctrines in the Nineteenth Century

Craig White  
Version 1.1

**NB:** Having commenced this chart in August 2014, I didn't get very far due to other projects arising. Now, after finalising the article, I thought that assembling this chart would assist in viewing the major influencers in this format would be helpful. These men either had direct influence on the Sabbathian Church of God; or indirect; or held to similar beliefs given they promulgated certain doctrinal positions or were themselves influenced by others.

Influencer/Doctrine	Christology	Born Again at resurrection	Fair Chance	Man's Mortality <sup>1</sup>	Wed Crucifixion	Passover on 14 Abib	Name Church of God	Millennium	British-Israelism	Restoration of Israel to their land	Warning Message

1. This includes the concept of the annihilation of the wicked in fire and no eternal hell fire

2. The SDAs believe that the Millennium will be in heaven while the earth will be a complete wasteland with no physical life
3. Although the SDBs became more and more trinitarian, many still did not hold to this belief
4. Similarly, with the immortality of the soul – many did not subscribe to it
5. However, Russell was influenced to accept Pyramidology that was taught by many British-Israelites including Charles Piazzi Smyth
